The Shot Clock is to be considered a tool to speed up the game and maintain, a certain pace, if a player abuses It , It might incur into a penalty for stalling and/or having their preset time shortened.

Players will be notified by the dealer if the preset time on the Shot Clock is almost over. Once It's over then a Time Bank Card will be automatically used. The player will be asked for the used time banks at completion of the hand, not to disrupt the action mid-hand.

If the player will have no Time Bank Cards left once the time is over the hand will be declared dead or if he/she was not facing a bet It will be an automatic Check.

In the case of a timing dispute towards the player's action, a tie will go in favour of the player.

Players will have a preset amount of time to act on all streets before any Time Bank Cards will be required. Each Time Bank will grant a reset of the preset time extra, regardless of the street that it will be used in.
