The Shot Clock is to be considered a tool to speed up the game and maintain, a certain pace, if a player abuses It , It might incur into a penalty for stalling and/or having their preset time shortened.

Players will be notified by the dealer if the preset time on the Shot Clock is almost over. Once It's over then a Time Bank Card will be automatically used. The player will be asked for the used time banks at completion of the hand, not to disrupt the action mid-hand.

If the player will have no Time Bank Cards left once the time is over the hand will be declared dead or if he/she was not facing a bet It will be an automatic Check.

In the case of a timing dispute towards the player's action, a tie will go in favour of the player.

Players will have a preset amount of time to act on all streets before any Time Bank Cards will be required. Each Time Bank will grant a reset of the preset time extra, regardless of the street that it will be used in.

In tournaments with Shot Clocks a player will have no right to call time, but they're encouraged to point out players that will abuse the Shot Clock.

Each player will receive Time Bank cards upon registering before the tournament starts. At the close of play on each day, all unused time bank cards will be forfeited, and a new allocation will be given at the start of play on the next day.

The Time Bank cards have to be visible on the table and easily countable by any staff or players at any time.
